Topics we'll discuss

- Tips for better communication: ways to handle conflict
- 10 ways to love your wives
- 10 ways to respect your husbands
- Successful married couples do these things well: they manage their conflicts gently, they invest in growing and nurturing their love every day, they practice forgiveness, and they set aside time regularly for intimate conversation
- Tips for growing in friendship, affection and appreciation

Personal couple-to-couple sharing available afterwards, on request
